Dear RSPA- Wallisville Families,

We hope this letter finds you and your family well. In an effort to eliminate any confusion due to campus relocation, the Northwest campus has officially been renamed the RSPA-Wallisville. We are confident this small adjustment will also remove any possible inconsistencies in our communication systems. The Wallisville campus offers students a larger facility with various amenities including a Fine Arts Performance Center. We cannot wait for your family to visit and experience the new RSPA-Wallisville campus.

We are also excited to announce Ms. Frances Bushnell as the new Wallisville Campus Leader. Ms. Bushnell is a veteran educator, with over 10 years of academic service. She is committed to and passionate about student development and growth as scholars and as overall citizens of our community. She is excited and eager to bring her skills and experiences as an instructional leader to the RSPA-Wallisville Campus and work with you, as a partner in education, to ensure your scholar's success. This year is moving quickly and will continue to be amazing as we commit ourselves to providing academic experiences for our scholars that are rigorous, relevant, and help them build relationships while making real-world connections. As the Campus Leader, it is important to Ms. Bushnell that everyone who steps through our doors (virtual or in-person)-teachers, scholars, and families-are excited to be here! This attitude enables us to meet the challenges of academic excellence in a positive, fun, and nurturing environment. Ms. Bushnell's door is always open and she welcomes your input. Please feel free to call or email her to discuss any concerns or awesome ideas you may have throughout the school year. She looks forward to working with you as a team to help each scholar at RSPA-Wallisville meet their goals and have a successful school year!

Lastly, we'd like to extend a huge and sincere thank you to our parents and guardians for your patience and continued support as we continue to move towards making a positive impact and strive for excellence.
